AMENDMENT

In response to the Notification to Comply with Requirements, which was not dated but which was received in our office on August 13, 2001, and for which a one-month period for response was set, please amend the above-identified application as follows:

Please enter in the file the enclosed computer-readable form (submitted on 3.5 inch diskette) and paper copy of the Sequence Listing, replacing all existing computer-readable forms and paper copies of the Sequence Listing previously submitted.
